
GO-Global UX on HP UX 11.23 Itanium

Posted by chavang - 2007/05/15 15:56

When will GO-Global UX be available for HP UX 11.23 Itanium ?

=====

Just FYI,

HP-UX ia64 builds have been officially released and supported since v2.2.6.

You can download these builds from our ftp site at:

<ftp://ftp.graphon.com/GO-Global-UX/>

Hope this helps,
Troy
