
New Install on Windows 2003 - Publisher Service error 3553

Posted by rclark601 - 2004/06/10 15:18

Any ideas on subject above? The Go Global Publisher Service will not start.

Hi Roger,

This problem is more than likely occurring because you have an expired license. I will contact the appropriate person to arrange for a valid temp license to be sent to you.

Regards,
Willo

Publisher Service error 3553

Posted by rclark601 - 2004/06/10 15:35

Thanks! This is even though I just downloaded this afternoon?

Yes, that's correct. A valid temp license needs to be issued. I've contacted the appropriate person.

Regards,
Willo
